

Note-Sheet

Date: Sept. 25, 2021

Subject: **Request for approval for organizing a webinar on 29th Sept. 2021 jointly organized by IIT Patna and AR&DB, DRDO**

Upon request from Aeronautics Research & Development Board (AR & DB), DRDO, New Delhi, a webinar has been planned on the topic *Aero Materials, 3D Imaging, & Applications* on 29th Sept. 2021. Three faculty members from IIT Patna and senior Scientists from DRDO will deliver talks. This will be a good opportunity to interact with DRDO Scientists opening the door for long term collaborative research. The webinar will be open to all the students and faculty members of IIT Patna without any registration fee. There is no financial obligation from the Institute side. For organizing the webinar, the software Microsoft Team from IIT Patna will be used.

It is kindly requested that the approval for conducting this webinar may please be accorded. It is also requested that the Hon'ble Director may address the gathering on the occasion. A tentative program of the webinar is attached herewith.
