## Establishing the Center of Excellence (CoE) in Government Polytechnic Institutes, Bihar

Department of Science and Technology, Government of Bihar has entrusted Indian Institute of Technology Patna (IITP) as an academic and knowledge partner for establishing the center of excellence (CoE) in Government Polytechnic Institutes, Bihar. These CoEs will focus on providing the state-of-the-art training and learning environment in emerging technology verticals (a) AI / IoT / Industrial Automation / Industry 4.0, (b) Drone/Robotics Technology, (c) Electric Vehicles, and (d) 3-D Printing.

IIT Patna is planning to organize a half-day virtual brain-storming session in the 1<sup>st</sup> week of December 2021 with the leading industry representatives that are actively working in the emerging technologies as mentioned above.

*During this brain-storming session, we will mainly focus on possible opportunities for (a) becoming the key industry partners for different verticals, (b) academic, entrepreneur, and technological collaborator, and (c) support from corporate social responsibility (CSR) fund.*

Interested industry representatives who would like to be the part of this brain-storming session may drop a line of confirmation at: [coe.bgpi@gmail.com](mailto:coe.bgpi@gmail.com) before November 30, 2021.
